How to book an appointment

Vaccination clinics are now offering people aged 60 years and over the AstraZeneca vaccine and people aged 40-59 years of age the Pfizer mRNA vaccine. Many other people are also eligible depending on their occupation, underlying health conditions or type of accommodation setting. There are several ways to make a vaccination appointment.

1. StarHealth Clinic

Appointments are required at the Prahran Town Hall clinic on Greville Street. You can book an appointment online or over the phone with our friendly team.
